At the request of the interested Eng. Ildefonso Gonzalez Sanchez, I let know my accumulated impressions and observations of his performance during his work period.

Mr. Ildefonso Gonzalez Sanchez was part of our team in the last year, and his decision of applying for this fellowship has been moved for his deep interest in robotic. I strongly hope that this opportunity can give him the chance to fulfill his expectations and goals.

From my stand I tell that during this period, Mr. Gonzalez has responsibly carried out his duties within the company. We could also prove not only his high professional qualification, but also his personal skills, good qualities, sense of people and optimal cooperation with the work team.

He has successfully performed his role at the Core Network outstanding in an exceptional manner in all his duties and responsibilities in the integration area.

That is why, we strongly recommend Mr. Gonzalez, considering him as a high qualified engineer.

If you have any question, do not hesitate in putting in contact with us.

Sincerely
